

CALIFORNIA ZEPHYR

TRIP» Celebrate Amtrak's 40th anniversary on one of its most scenic routes, departing from Chicago and crossing the Great Plains, Rocky Mountains and the Sierra Nevada.

ONBOARD» Sip a cocktail in the Sightseer Lounge Car while watching snowy peaks and red-rock canyons glide past the panoramic windows. The dining car offers tempting choices at meals, all included in the ticket price for first class and sleeper-car passengers.

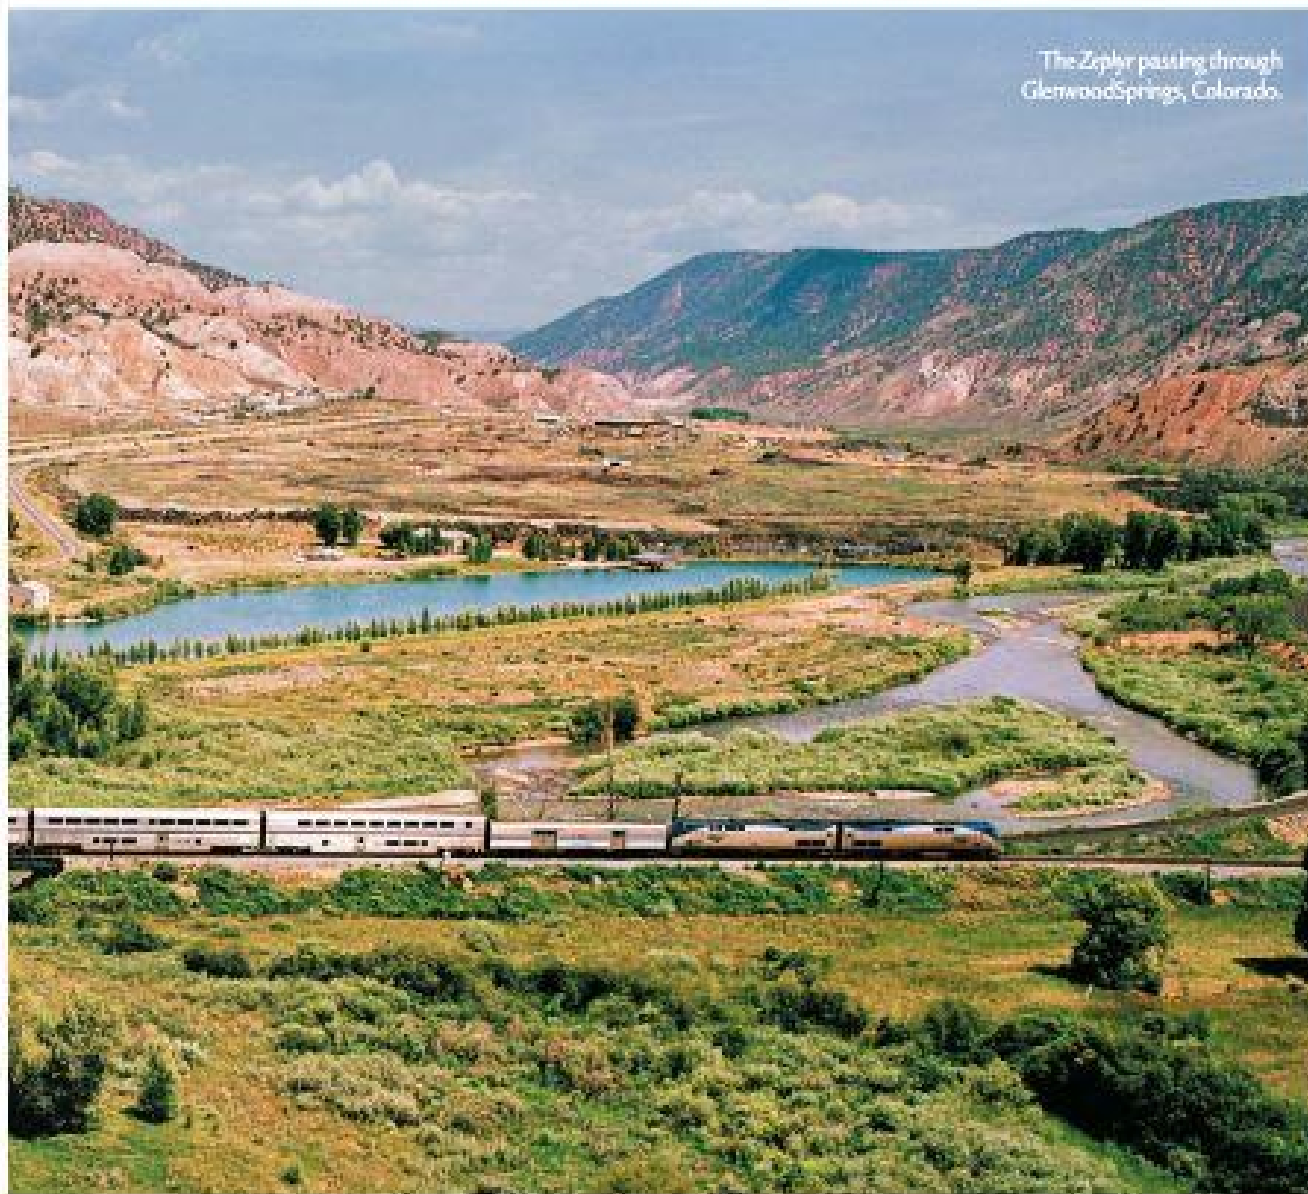

RIDERS DESCRIBE THEIR CALIFORNIA ZEPHYR EXPERIENCES

DON'T MISS» In both directions, the 51-hour, 2,400-mile itinerary permits daylight viewing of the stunning stretch between Denver and Salt Lake City. As part of Amtrak's Trails & Rails partnership with the National Park Service, in summer onboard rangers share their expertise between Denver and Grand Junction, Colorado.
